Dear Veterans and Friends,

The Service Women's Action Network (SWAN) wishes you warm greetings on this Veterans Day!

We're excited to announce the release of the latest *In Their Boots* documentary, called "Outside the Wire", featuring women in the military and SWAN in particular. Also, SWAN was recently selected as a recipient of two prominent national campaigns that directly benefit veterans' charities with proven records of success! (Read below for more information.)

SWAN would like to thank all of our servicewomen from current and past campaigns and eras for their fierce dedication to our nation. We honor your sacrifices, recognize your struggles and will work hard to help you in your personal journeys toward health, healing and empowerment. Please don't hesitate to reach out to us for support or guidance.

Happy Veterans Day, from all of us at SWAN!

### Beyond Tribute

SWAN was selected by the national campaign Beyond Tribute to join a Coalition of eleven prominent non-profit organizations specializing in direct services and/or advocacy for Veterans.

This Veterans Day, Beyond Tribute is mobilizing Americans to contribute to Coalition charities through the Eleven Eleven Campaign (<http://www.eleven-eleven.org>). The objective of the campaign is simple: get 11 million Americans to donate \$11 each to support America's Veterans. We encourage you to take action!

### One World Music Campaign

SWAN and the National Coalition for Homeless Veterans

have been hand-selected as the two beneficiaries of the One World Music Campaign. Written by Grammy Award-winning song writer Tony Camillo, the song "One World" will feature the voices of prominent celebrities.

The One World Music Campaign intends to do for veterans what the "We Are the World" music campaign did for Africa in 1985: raise millions of dollars. This Veterans Day, Joey Reynolds, (WOR NewsTalk Radio 710HD), launches the One World Music Campaign on his NYC syndicated radio show.

## IN THEIR BOOTS

### Outside the Wire

SWAN is prominently featured in the latest In Their Boots documentary, "Outside the Wire". The crew documented SWAN's first journey through the halls of Congress as we educated policy makers about the unjust wars women veterans must wage in order to get help from the Department of Veterans' Affairs. The episode also focuses on the deeply personal wounds and struggles that women veterans face when they return home from Iraq and Afghanistan. To view the documentary, please visit <http://www.intheirboots.org/episodes/season-2/outside-the-wire.html>. Don't forget to watch the special post-documentary question and answer session with Anu Bhagwati, SWAN's Executive Director.
